RE: TIMBER KNOLL HOMEOWNER'S ASSOCIATION, INC. DBA T.K. WATER SERVICE – REQUEST FOR EXTENSION OF COMPLIANCE DEADLINE (DOCKET NO. W-01902A-09-0293)

In Decision No. 71838, dated August 10, 2010, the Arizona Corporation Commission (“Commission”) approved the application of Timber Knoll Homeowner’s Association (“Timber Knoll” or “Company”) for a rate increase.

As part of Decision No. 71838, the Commission ordered the following:

“... Timber Knoll Homeowner’s Association, Inc. dba T.K. Water Service shall file, on or before September 1, 2010, a revised rate schedule setting forth the following rates and charges.”

The Decision also refers back to Finding of Fact No. 23 and orders the following:

“the Company file, within 30 days of the effective date of this Decision, with the Commission’s Docket Control, as a compliance item in this docket, a schedule of its approved rates and charges.”

On September 10, 2010, Staff contacted Ms. Carol Judd, Timber Knoll secretary, for information regarding the above filing on the approved rates and charges. The Company has not had time to coordinate the filing to meet the Commission requirement. After some additional discussion in which Staff communicated the Company’s options, Staff received an e-mail requesting an extension of 45 days for compliance with the above requirement. This e-mail was docketed on September 10, 2010.

Staff does not object to the 45 day extension period as requested by the Company. Staff recommends that the timeframe for providing the filing of approved rates and charges be extended from September 9, 2010 until October 25, 2010.
